

# International Journal of Advanced Dermatology (IJAD)

## SCOPE OF THE JOURNAL

International Journal of Advanced Dermatology (IJAD) is a quarterly open access peer-reviewed journal that publishes articles which contribute new results in all areas of the Dermatology. The journal is devoted to the publication of high quality papers on theoretical and practical aspects of Dermatology

The goal of this journal is to bring together researchers and practitioners from academia and industry to focus on understanding advances in Dermatology and establishing new collaborations in these areas. Authors are solicited to contribute to the journal by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of Dermatology.

## Paper Submission & Manuscript preparation Guide

Authors are invited to submit papers for this journal through E-mail [ijad.journal@airccse.com](mailto:ijad.journal@airccse.com). Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this Journal. For paper format download the template in this page

### [Manuscript Template](#)

### Review Process

Submissions are accepted for review with the understanding that the same work has been neither submitted to, nor published in, another publication. Simultaneous submission to other publications will result in immediate rejection of the paper. Papers are not within the journal scope will be rejected immediately after the pre review process.

All manuscripts will be subject to a well established, fair, unbiased peer review and refereeing procedure, and are considered on the basis of their significance, novelty and usefulness to the Journals readership. The reviewing structure will always ensure the anonymity of the referees & it will be reviewed by 3 experts in the field. The review output will be one of the following decisions:

1. Accept
2. Accept with minor changes
3. Weak Accept with major changes
4. Reject

The review process may take approximately two ~ three months to be completed. The Editor reserves the right to reject a paper if it does not meet the aims and scope of the journal, it is not revised well.

Publication charges: FREE (Maximum 20 pages)

Publication Frequency –
