## **Scope & Topics**

Life Sciences: an International Journal (LSIJ) is a quarterly open access peer-reviewed journal that provides excellent international forum for sharing knowledge and results in theory, methodology and applications of Life Science Research. The aim of the journal is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field of Life Sciences.

## **Topics of interest**

### **Biomedical science**

Pharmacology  
Toxicology,  
Drug and Medicine Discovery  
Human Physiology  
Neurobiology  
Silicon Nanowires  
Immunology  
Infection and Diseases

### **Molecular and Cell Biology**

Protein Structure and Function  
Biophysics and Structural Biology  
Genomics and Bioinformatics  
Microbiology and Biotechnology  
Developmental Biology  
Tumour Biology

<http://airccse.com/lsij/index.html>

## **Environmental Biology**

Plant and Animal Physiology  
Life Form and Function  
Evolution and Systematics  
Aquatic and Terrestrial Ecology  
Environmental Processes and Conservation  
Medical Sciences  
Fisheries  
Limnology  
Agricultural Sciences  
Sericulture  
Food and Nutrition  
Aquaculture  
Taxonomy  
Wild Life  
Genetics  
Veterinary Sciences

## Paper Submission & Manuscript preparation Guide

Authors are invited to submit papers for this journal through E-mail : [lsijjournal@airccse.com](mailto:lsijjournal@airccse.com). Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this Journal. For paper format download the template in this page [Manuscript Template](#)

### Review Process

Submissions are accepted for review with the understanding that the same work has been neither submitted to, nor published in, another publication. Simultaneous submission to other publications will result in immediate rejection of the paper. Papers are not within the journal scope will be rejected immediately after the pre review process.

All manuscripts will be subject to a well established, fair, unbiased peer review and refereeing procedure, and are considered on the basis of their significance, novelty and usefulness to the Journals readership. The reviewing structure will always ensure the anonymity of the referees & it will be reviewed by 3 experts in the field. The review output will be one of the following decisions:

1. Accept
2. Accept with minor changes
3. weak Accept with major changes
4. Reject

The review process may take approximately two ~three months to be completed. The Editor reserves the right to reject a paper if it does not meet the aims and scope of the journal, it is not revised well.

### Copy Right Form

For all papers published in AIRCC journals, the copyright of the paper is retained by the author under Creative Commons (CC) Attribution license. This license authorizes unrestricted circulation and reproduction of the publication by anybody, as long as the original work is properly cited.

Publication charges will be applied for all peer-reviewed accepted papers, to cover the cost of publication.

### Special Issue

Life Sciences: an International Journal (LSIJ) invite proposals for special issues on topics that fall within the scope of this journal. Please email your proposal to [lsijjournal@airccse.com](mailto:lsijjournal@airccse.com).
